Adding ICBR Cores to an External Account

Sometimes external accounts won't be able to access ICBR's cores when first created. Please follow the below steps to gain access.

- 1. Login to your iLab account at https://ufl.ilab.agilent.com/
- **Click on** the hamburger bar in the upper left-hand corner.

2.		Cross Lab			
		Home			
a.					
3. Click on Core Facilities					
	* 	Home ommunications (41)			
	< 0	Core Facilities			
	м	ly Cores			
	V	iew Requests			
	м	ly Centers			
	V	ouchers			
	In	woices			
a.	Leel R	leporting			

4. Change the view bar from Cores at My Institutions to Cores at Other Institutions and type in ICBR in the search bar, hit enter.

	The Foundat	ion for The Gator Nation
View	Cores at My Institutions 🗸	Search table
	Cores at My Institutions	
	Cores at Partner Institutions	Phone Number
	Cores at Other Institutions	
lu	Cores at Partner Networks	(352) 273-8624
		(352) 273-9461

Still Not Seeing ICBR?

If your institution uses the iLab system they may have blocked outside cores. An iLab Support ticket will have to be submitted to give you access. Please email ICBR-iLab@ad. ufl.edu for assistance.
