

Lunch-n-Learn with BD Biosciences

Date & time: Tuesday, **Oct. 28**, 2025 / **11:30a-1p**

Location: **CGRC 451**

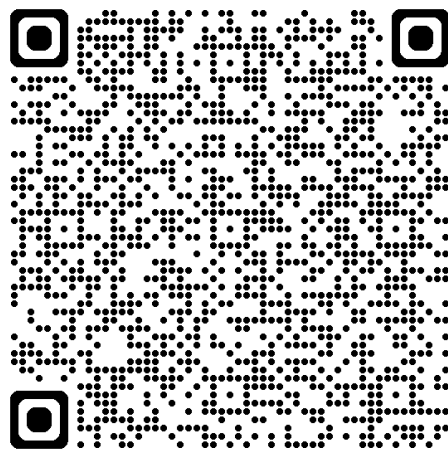

In Person Only / Lunch registration required by
10 a.m. on Oct. 27th

11:30-11:45a: Grab lunch & a seat!

11:45a-12:45p- Seminar: ***Panel design
for spectral flow cytometry***

12:45p: Q&A

Join us to hear about panel design for spectral flow cytometry, with a focus on BDB's new Real dyes and other reagents optimized to generate clean signals, reduce background noise, maximize resolution, etc. Users working on conventional systems will benefit from hearing our tips & tricks, too!

Presentation by Jon Semidey-Hurtado, M.S., BDB Research Applications Scientist
